In applying/signing/paying for and receiving any tickets, I accept the Club's and the IRFU's terms and conditions that the tickets are for my personal use, or that of a close friend, or relative. These tickets may not be sold on, for above face value. In the event of losing tickets after receiving them, replacements can be issued by the IRFU. Ticket allocation is dependent on the numbers available to members and there is no guarantee that applications can be accommodated or that the tickets applied for will be allotted. The committee will work on the 'next best available' criteria when compiling the allocation. All tickets to successful applicants will be posted by ordinary mail. Payment may only be made by credit/debit card which will be debited in the event that your application is successful. Please enter your full credit card details in the space provided below.
I have read, fully understood and accept these terms & conditions and I understand that allocation of tickets will be conditional on my club subscription for season 2022/23 being fully paid up.
