In applying/signing/paying for and receiving any tickets, I accept the Club's and the IRFU's terms and conditions that the tickets are for my personal use, or that of a close friend, or relative. These tickets may not be sold on, for above face value. Ticket allocation is dependent on the numbers available to members and there is no guarantee that applications can be accommodated or that the tickets applied for will be allotted. In the event of very high demand, a lottery system may have to be applied. The committee will also work on the 'next best available' criteria when compiling the allocation. All tickets to successful applicants will be emailed to the address provided below.

I have read, fully understood and accept these terms & conditions and I understand that allocation of tickets will be conditional on my club subscription for season 2023/24 being fully paid-up.
